

QVC Solutions

A Snapshot

QVC Solutions is a project, programme and portfolio consultancy operating out of central Brisbane (Queensland). First established in 2002 they now possess over ten years' experience, specialising in delivering, advising and training projects and project teams.

QVC Solutions commitment to providing high quality, valued and consistent consulting services has led them to become a trusted consultant of many large Government and Non-Government organisations, both Nationally and Internationally.

"I'd like to thank QVC for their commitment and passion."

"QVC consistently supplies quality project management professionals... The QVC team always provides reliable, timely advice and service delivery" – Telstra iVision.

"With QVC you really get commitment and quality" – Gladstone Regional Council.
